Leadership

Khushi was unanimously chosen as Team Lead for her strong organizational and communication skills. She will coordinate meetings, track progress, and ensure timely project completion.

Decision-Making

- Major decisions will be made through discussion and consensus.
- Every member's opinion will be considered equally.
- If consensus cannot be reached, the Team Lead will make the final decision after consulting the team.

Communication

- WhatsApp – Daily coordination and quick updates.
- Google Meet – Weekly meetings and project discussions.
- Google Drive – Shared documents and collaborative work.

Meetings

- Regular meetings every Wednesday and Saturday.
- Additional meetings scheduled before important deadlines.
- Meeting agendas shared in advance and action items recorded afterward.

Work Distribution

- Tasks assigned based on members' strengths and interests.
- Equal workload maintained through periodic reviews.
- Responsibilities redistributed if a member faces genuine constraints.

Progress Monitoring

- Weekly progress reviews during team meetings.
- Internal deadlines set before official submission dates.
- Deliverables checked for quality and completeness before submission.

Team Support

- Share research papers, notes, and interview resources.
- Review each other's work before submission.
- Help members overcome challenges through collaborative problem-solving.

COLLABORATION & EXECUTION

Conflict Resolution

- Address disagreements respectfully and professionally.
- Resolve issues through open discussion and active listening.
- Escalate unresolved conflicts to the Team Lead for mediation.
- Focus on finding solutions rather than assigning blame.

Positive Team Experience

- Encourage open communication and appreciation of diverse perspectives.
- Provide constructive feedback that supports improvement.
- Maintain a positive, inclusive, and supportive working environment.
- Recognize and value each member's contributions.

INTERPERSONAL PROCESS

Celebrating Success & Continuous Improvement
